

Professional Development Policy

RATIONALE: Ongoing Professional Development (PD) is an important aspect of self improvement for all staff at Marian College to meet the learning needs of students and the school community.

VALUES:

Excellence, Growth, Enrichment, Justice, Community, Respect

POLICY:

Marian College encourages Professional Development by providing opportunities for development in line with College Strategic Plan and individual needs.

Professional Development is a shared responsibility between individuals and the College and relevant feedback is encouraged.

IMPLICATIONS:

1. Professional Development will be outlined in the College Annual Action Plan.
2. Staff are responsible for maintaining their own P.D. portfolio in line with VIT requirements.
3. A record of attendance at in-services will be kept to ensure some equity of in-service opportunities.
4. An application for approval for P.D. must be submitted to the Head of Learning and Teaching.
5. Consideration for approval will be based on relevance to the College goals with consideration to cost and staffing needs.
6. Each year there are certain mandated Professional Development which all staff must attend.
7. Informal learning situations and peer support systems are also encouraged as legitimate forms of Professional Development.
