## MERRY CHRISTMAS

Loving Father, Help us remember the birth of Jesus,  
that we may share in the song of the angels,  
the gladness of the shepherds,  
and worship of the wise men.

# From the Principal's Office

Dear Parents, Carers, Friends and Students of Marian College,

- ❖ We encourage excellence and perseverance in learning,
- ❖ We strive for continuous improvement

## A Christmas Blessing (Joyce Rupp)

**May there be harmony in all your relationships.**

**May sharp words, envious thoughts, and hostile feelings be dissolved.**

**May you give and receive love generously.**

**May this love echo in your heart like the joy of church bells on a clear December day.**

**May each person who comes into your life be greeted as another Christ.**

**May the honour given the Babe in Bethlehem be that which you extend to every guest who enters your presence.**

**May the HOPE of this sacred season settle in your soul.**

**May it be a foundation of courage for you when times of distress occupy your inner land...**

**May you go often to the Bethlehem of your heart and visit the One who offers you peace. May you bring this peace into our world.**

As we begin our final week of school for the year, I take this opportunity to sincerely thank the many parents and students who have contributed so positively to our Year of Hope. We look back on the highlights and the challenges of 2018 with a great sense of pride. Our graduating class were impressive

to the last, and a credit to both you, their Parents, and to our College. I congratulate all students as they begin their post-secondary journey. I know they leave Marian College not only with our blessing and best wishes for the future, but with our gratitude and admiration for a journey well travelled.

## Graduating Class of 2018

On Thursday evening I spoke to the graduating class of the importance of *'things that will matter in the end'* - loosely adopting the work of Ethics Professor, Michael Josephson:

To the Class of 2018:

At the end of your schooling life at Marian College, what will matter?

All the things you collected, whether treasured or forgotten, will pass to someone else at Marian College.

Your wealth, fame, and temporal power will shrivel to irrelevance.

It will not matter what you owned or what you were owed.

Your frustration and jealousies will disappear.

So, too, your to-do list and study plans will expire.

The wins and losses that once seemed so important will fade away.

It won't matter where you came from or what side of the tracks you lived on in the end - Ararat, Stawell, Halls Gap, Elmhurst, Lake Bolac...

It won't matter whether you were beautiful or brilliant.

Even your gender and skin colour will be irrelevant.

So what will matter? How will the value of your years at Marian College be measured?

What will matter is not what you brought but what you build; not what you got but what you gave. And you gave generously, especially to one small kindergarten in Bhola, Bangladesh.

What will matter is not your success but your significance.

What will matter is every act of integrity, compassion, courage or sacrifice - that enriched, empowered, encouraged others to emulate your example.

To the class of 2018, travel safe in the palm of God's hand with strength and gentleness.

To the Parents who leave us at the end of your son or daughter's journey with Marian College, I thank you for your support and confidence to walk with us along this path together.

## Awards Night 2018

Monday evening we celebrated the end of another successful year for students from Years 7-11 at the Annual Marian College Awards Ceremony. While it was a night to acknowledge significant academic achievement, we understand that many gifts, talents and achievement cannot be measured. In addition to the many moments of celebration, we recognise and celebrate the individual efforts and improvement for all students. Two significant Awards so important to our College are presented on this night: The St Brigid Awards presented by Sr. John, and the Kildare Ministries

Award presented by Executive Officer of Kildare Ministries, Mr. Jeff Burns. Congratulations to the worthy recipients.

## Year 7 Quilt Project

The Year 7 Quilt Project reflecting the symbols and signs of our Brigidine heritage is complete. All Year 7 students were involved in the making of this quilt which now adorns the walls of the new Brigidine Centre. Thank you to Ms. Deborah Stockman and the Year 7 students for their enterprise and efforts in bringing the work together.

## Return to School 2019 and Key Dates

# LIONS YOUTH OF THE YEAR PRESENTATION

On Monday 19th November, Samantha MacLeavy from the Ararat Lions Club formally acknowledged Joseph McColl's efforts in the Lions Youth the Year Competition (held in October) by presenting him with a cheque at the whole school assembly.

Joseph was successful in winning the Ararat section of the competition following his interview with Lions members, presentation of two impromptu speech prompts and the passion with which he presented his prepared speech on the necessity and benefits of music education.

Joseph now goes on to represent the Ararat Lions Club division in the divisional section of the competition which will be held in 2019.

# HALLS GAP STEM DAY

Last week groups of students from St. Pat's, Stawell and Marian College spent a day at Halls Gap completing a range of STEM investigations. The students completed a range of Science, Maths and Technology activities.

The day was an opportunity to utilise the wonderful environment as a learning tool. It was a pilot project day to what we hope will become more common in our curriculum in the future.

Thank you to the staff and students from both schools for making the day a great success. The student's keen participation and feedback on the activities demonstrated the benefits of integrating their learning with the real world.

I look forward to offering more students these experiences in 2019.

## END OF SEMESTER REPORTS ONLINE

The end of Semester Reports will be available online from 12.00 noon on Thursday 6th December, 2018.

Please access your son or daughter's report through the PARENT ACCESS MODULE (PAM) on the school website at <http://mcararat.catholic.edu.au> using your current login and password.

Parents who do not have internet access are asked to contact the school office to make suitable alternative arrangements.

# Australian Government

Member for Wannon, Dan Tehan, was thrilled to host the Australian Government Sport Awards on Thursday 22 November in Ararat at the Wannon Sports Award ceremony.

Wannon athletes, coaches, and sporting clubs were acknowledged for their outstanding commitment or achievement in sport.

"The Australian Government Sport Awards present an excellent opportunity to recognise and celebrate the tremendous efforts and achievements within the Wannon sporting community," said Mr Tehan.

The guest speaker for the Australian Government Sport Awards was Kerry Manning. Kerry is an Australian horse trainer-driver and a world champion reinswoman in the sport of harness racing.

## Community Contribution by an Individual Megan Shea

Megan Shea has a netball career that almost any Wimmera player could only hope for when they start out. Five Wimmera Netball Association A Grade best and fairests and more than 400 senior games but the Ararat goal shooter has taken a step back in the sport in recent years.

Megan was captain of the winning Mobil Cup team in 1996 which she said was one of the most exciting memories.

"After that, I was selected for Victoria Country for two years and went to the Victorian Institute of Sport to be involved in that," she said.

"There were more pathways with netball, there was no career paths for basketball and it was hard to move up to the next level at that stage."

"I am getting close to 500 games, I am happy that I have my 400 A Grade games and 450 club games. I am happy with my five Wimmera Netball Association best and fairests which I am proud of," she said.

## Individual Achievement Open Female Alice Culling

"Kill them with Success, Bury them with a Smile"

Alice Culling's moto is most fitting as she always has a ready smile and is a highly successful international cyclist.

Alice's quest for excellence is supported by the Victorian and Australian Institutes of Sport with dieticians, training regimes and sponsorship of equipment such as bicycles and training apparel.

Her career highlights are as follows:

- 2017 1st National Points Race
- 2017 2nd National Elite Team Pursuit
- 2016 1st National Individual Pursuit
- 2016 1st National Team Pursuit
- 2016 2nd National Scratch Race
- 2015 1st National Team Pursuit
- 2014 3rd National Individual Pursuit

As Alice moves towards senior endurance racing, the stakes such as distances, pace and speed increase.

Alice has recently competed in Italy and Switzerland and enjoys a strong camaraderie with her international competitors.

Alice has her eyes on Commonwealth and Olympic gold in the future. Marian College, in conjunction with the town of Ararat and districts, support and applaud Alice for her dedication and excellence in endurance cycling and also as a powerful role model for all aspiring athletes in all sports and skills.

# SCHOOL PRODUCTION 2019

## CHICAGO THE MUSICAL

"This one's for the girls..."

You asked for it, so here it is.

So many students have requested this show over the years and I am pleased and excited to announce that we got it!!!! (One of a few amateur rights released in 2019). I am sure you all know this show by heart but for those who don't I have included some information below.

Synopsis: Chicago is a story of murder, greed, corruption, violence, exploitation, adultery, and treachery-all those things we hold near and dear to our heart. It is "jurisprudence-as-show business and trial-by-publicity".

Set in the legendary city during the roaring "jazz hot" 20s, Chicago tells the story of two rival vaudevillian murderesses locked up in Cook County Jail. Nightclub star Velma's serving time for killing her husband and sister after discovering they are having an affair.. Driven chorus girl Roxie's been tossed in the joint for bumping off the lover she's been cheating on her husband with. Not one to rest on her laurels, Velma enlists the help of prison matron Mama Morton and slickster lawyer Billy Flynn, who turn Velma's incarceration into a murder-of-the-week media frenzy, thus preparing the world for a splashy showbiz comeback. But Roxie's got some of her own tricks up her sleeve...

I invite you interested parties to attend an information evening on MONDAY, February 25 at 6.00pm in the school hall. (Put it in your calendar now)  
PERFORMANCE DATES: AUGUST 15, 16 & 17 2019

We are looking for actors, singers, dancers, costume designers, set designers and a tech/stage crew to help us bring this wonderful show to life.

If you've always been curious or keen to be involved in our wonderful productions, I invite you to make "CHICAGO" in 2019 your year.

## FOCUS ON VOLUNTEERING

The following article has been taken from the My Career Match website and has been adapted for the Weekly Career News, <http://bit.ly/2k2LN9g>

**Volunteering is the single most overlooked skill on resumes.**

If you knew that as many as 86% of influencers believe that volunteering would make you more competitive among a pool of job seekers, wouldn't you make sure to put that activity front and centre on your resume?

If you are a student and are told that most scholarships are given to people who volunteer wouldn't you go out and volunteer?

If you are a student applying for entry to a university medical course and you're told that doing volunteer work in a hospital or aged care facility increases the chances of entry, wouldn't you volunteer?

According to the 2016 Deloitte Impact Survey there is a huge disconnect between how important it is to hiring influencers and how much candidates are leveraging their volunteerism to get jobs. Survey respondents found that only 30% of resumes list volunteering.

In the recruitment world of jobs and job seekers, recruiters are overwhelmingly in favour of volunteering as a professional development tool. Among the findings:

- 92% believe volunteering expands an employee's professional skill set
- 85% are willing to overlook resume pitfalls when an employee includes volunteering on a resume.
- 82% are more likely to choose a candidate with volunteering experience

## FOCUS ON VOLUNTEERING

- 80% believe volunteering is an effective way to boost leadership skills
- 73% believe people who volunteer are more successful

On this last point a European study found young people's involvement in volunteer initiatives stimulates the development of creative thinking and the ability to quickly adjust in new situations, it forms tolerance for others' values, social sensitivity and an active civil stance - skills which can be capitalized on when both searching for a job and starting a business.

These skills make young volunteers much more successful on the labour market, compared to their peers, who lack volunteering experience.

One of the important conclusions from the study analysis is that there is a correlation between the skills young people acquire while volunteering and the skills employers look for.

For students having volunteer experience on their resume is extremely beneficial and an advantage over those who don't.

People choose to volunteer for a variety of reasons. For some it offers the chance to give something back to the community or make a difference to the people around them.

For others it provides an opportunity to develop new skills or build on existing experience and knowledge. Regardless of the motivation, what unites them all is that they find it both challenging and rewarding.
