Context	All Marian College's employees as well as contractors and visitors have a shared responsibility for contributing to the health and safety of all persons. The promotion and maintenance of health and safety issues and the dissemination of OHS related information is primarily the responsibility of Leadership. Leaders at all levels, in consultation with employees, have the responsibility for developing, implementing and continually reviewing Marian College's OHS Program.
Policy Statement	Marian College is committed to the occupational health, safety (OHS) and welfare of all its' employees and students, those contracted to perform work on its behalf and visitors to our premises. Marian College regards its OHS responsibilities with the utmost importance and as such, resources are made available to comply with all relevant Acts and Regulations to ensure the workplace is safe and to minimise risk to health.
Objectives	This policy provides the framework for: <ul style="list-style-type: none"> • The development of safe methods of work • The achievement of a safe working environment • The promotion of good health within the work force • Reducing the number and severity of injuries in the workplace • Complying with all relevant Acts, Regulations, Standards and Codes of Practice.
Strategies	<p>Risk Management: Marian College has established a documented OHS Program and a risk management system with procedures for identifying, assessing and controlling workplace hazards. This risk management system has been developed in accordance with the International Risk Management Standard AS/NZ ISO 31000.</p> <p>Consultation: An OHS & Return-to-Work coordinator has been appointed to provide an effective consultative mechanism. Employees are able to provide input into the OHS program. The Leadership Team or OH&S Officer will consult with contractors and visitors when planning work to determine the most effective means of ensuring both parties fulfill their OHS responsibilities.</p>
Responsibilities	<p>Marian College Stewardship Council: Marian College Stewardship Council Members are required to ensure that this policy and the OHS program are developed and effectively implemented in areas under their control, and to support supervisors and hold them accountable for their specific responsibilities.</p> <p>Principal: The Principal will take reasonable measures to ensure that the workplace under their control is safe and without risks to health, and that the behavior of all persons in the workplace is safe and without risks to health.</p>

	<p>The Principal is responsible for risk assessments to mitigate harm, the implementation and review of safety measures and to take all reasonable steps to ensure proper instruction and training is undertaken as required.</p> <p>If the Principal does not have the necessary authority to fix a problem, they will be held accountable for reporting the matter promptly, together with any recommendations for remedial action to a Marian College Board Member or Officer with the necessary authority to effect a remedy.</p> <p>Employees: All employees are required to cooperate with the OHS Program to ensure their own health and safety and the health and safety of others in the workplace.</p> <p>All employees will carry out their work according to the safe systems of work and use all plant, materials, tools and substances in the manner for which they are intended.</p> <p>Volunteers, Contractors, Sub-Contractors and Visitors: All volunteers, visitors, contractors and sub-contractors engaged to perform work on Marian College’s premises are required to comply with Marian College’s OHS Program and to observe directions on health and safety from Marian College’s staff. Failure to comply or observe a direction will be considered a breach of the contract and sufficient grounds for termination of the contract.</p>
OH&S Program	<p>Marian College is committed to the effective implementation of its OHS Program and will ensure that it is appropriately reviewed and updated.
